Moral Panic and the Politics of Anxiety SEAN HIER,2012-05-23 Moral Panic and the Politics of Anxiety is a collection of original essays written by some of the world's leading social scientists. It seeks to provide unique insight into the importance of moral panic as a routine feature of everyday life, whilst also developing an integrated framework for moral panic research by widening the scope of scholarship in the area. Many of the key twenty-first century contributions to moral panic theory have moved beyond the parameters of the sociology of deviance to consider the importance of moral panic for identity formation, national security, industrial risk, and character formation. Reflecting this growth, the book brings together recognized moral panic researchers with prominent scholars in moral regulation, social problems, cultural fear, and health risks, allowing for a more careful and critical discussion around the cultural and political significance of moral panic to emerge. This book will prove valuable reading for both undergraduate and postgraduate students on courses such as politics and the media, regulatory policy, the body and identity, theory and political sociology, and sociology of culture.

Statistical Techniques in Business and Economics Douglas A. Lind,William G. Marchal,Robert D. Mason,2002-11-01 Why make statistics harder than it has to be? Lind/Marchal/Mason: STATISTICAL TECHNIQUES IN BUSINESS AND ECONOMICS, 11/e is a perennial market best seller due to its comprehensive coverage of statistical tools and methods delivered in a student friendly, step-by-step format. The text is non-threatening and presents concepts clearly and succinctly

with a conversational writing style. All statistical concepts are illustrated with solved applied examples immediately upon introduction. Modern computing tools and applications are introduced, but the text maintains a focus on presenting statistics content as oppose to technology or programming methods, and the eleventh edition continues as a 'students' text with increased emphasis on interpretation of data and results. Its.

The Research Experience Ann Sloan Devlin, 2020-07-30 The Research Experience: Planning, Conducting and Reporting Research, Second Edition is the complete guide to the behavioral science research process. The book covers theoretical research foundations, guiding students through each step of a research project with practical instruction and help. The latest technological tools, such as SurveyMonkey®, Qualtrics®, and Amazon Mechanical Turk®, are included to show the increasing influence of the Internet to conduct studies and how research is conducted in the world today. Taking students through the process from generating ideas for research to writing and presenting findings helps them absorb and apply the material. With its practical emphasis and supporting pedagogy, students will be able to successfully design and execute a research project. Included with this title: The password-protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides.

How to Start Your Own House Cleaning Company Angela Brown, 2016-03-09 Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless

Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: savvycleaner.com/tips and you follow her blog at: AskaHouseCleaner.com She has trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. In this step-by-step guide she'll show you: How to set up your home office What office supplies you are going to need Ideas for your company logo How to choose your company name How to choose a uniform Tips on creating your company image and brand How to set your rules and policies How to choose a territory Everything you need to know about creating flyers, worksheets and why you need them. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown The House Cleaning Guru.) If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? (FREE BONUS DOWNLOAD: savvycleaner.com/franchise So should you buy into an existing franchise like Molly Maid, MerryMaids, The Cleaning Authority, Maid Brigade, Maid Pro, Sears MaidServices, The Maids, Two Maids & A Mop, You've Got Maids, MaidSimple, Cleantastic, Home Cleaning Services of America, Jani-King, MopFrog, Jan Pro, Maid to Perfection, or many of the others on the market? Or should you start your own house cleaning company from scratch? There are pros and cons to both. If you are not sure of the differences, you can download a free comparison chart at savvycleaner.com/franchise For the sake of this book we are going to assume you are going to start your own.

Study Guide to accompany Statistical Techniques in Business & Economics 15e William G. Marchal, Douglas A. Lind, Kathleen Whitcomb, Samuel A. Wathen, 2011-01-21 Business, Government, and Society, by Steiner and Steiner, tells the story of how forces in business, government and society shape our world. While current events move rapidly over the surface of the subject matter, the underlying principles and relationships at its core lie undisturbed. The thorough blend of history and today's events help students understand the entire context of forces at work in business, government, and society. A new emphasis on management issues and processes allows students to apply the principles they learn to real world situations.
